

Dear Trinity Academy Families,

As Trinity Academy upholds its commitment to Christ-Centered academics for our students, we also aim to instill Christ-Centered conduct within intellectual and challenge-based activities. We believe that fostering critical thinking, sportsmanship, camaraderie, and integrity aligns with the vision, mission, and goal of Trinity Academy.

"Whatever you do, work at it with all your heart, as working for the Lord, not for human masters" (Col. 3:23). Our goal is to provide diverse opportunities for students of all ages to engage in intellectually stimulating activities that supplement classroom learning, promote cognitive growth, and foster meaningful connections.

Here are the Core Values we uphold:

**WONDER** - We encourage and exemplify wonder to nurture gratitude and cultivate a deep passion for learning.

**RESPONSIBILITY** - We embrace responsibility, facing challenges, successes, and failures with courage and determination.

**WISDOM** - We honor the wisdom of the past and seek to build our own, delving beyond facts into insightful conversations and real-world applications.

**KINDNESS** - We nurture kindness in our hearts and demonstrate it through our actions towards others.

**INTEGRITY** - We prioritize honesty in our thoughts and actions, aiming to emulate the integrity exemplified by Jesus Christ.

**LEGACY** - We value the connections within our intellectual and spiritual community, striving to leave a positive legacy.

The Chess Club program at Trinity Academy upholds the following priorities: (1) God; (2) Family; (3) Academics; and (4) Intellectual Growth. When adhering to these priorities, students benefit from a balanced development that encompasses mental, emotional, and spiritual aspects.

As representatives of their club, their school, their community, and most importantly, God, our club members are committed to cultivating their character and adopting perspectives on competition that align with Christian values. We encourage modesty in success and graciousness in setbacks. While winning is a commendable goal, losing can often provide valuable opportunities for growth.

Trinity Academy's Chess Club strives for both excellence and success. We are dedicated to well-organized and well-executed programs that emphasize discipleship and personal growth. Our goal is to help students reach their maximum potential as strategic thinkers.

Thank you for your support and commitment to nurturing the minds and hearts of our students.

In Christ,  
Scott Williamson
